

Privacy Policy

This privacy policy has been compiled to better serve those who are concerned with how their 'Personally identifiable information' (PII) is being used online. PII, as used in US privacy law and information security, is information that can be used on its own or with other information to identify, contact, or locate a single person, or to identify an individual in context. Please read our privacy policy carefully to get a clear understanding of how we collect, use, protect or otherwise handle your Personally Identifiable Information in accordance with our website.

What personal information do we collect from the people that visit our blog, website or app?

When ordering or registering on our site, as appropriate, you may be asked to enter your name, email address, mailing address, phone number, credit card information or other details to help you with your experience.

When do we collect information?

We collect information from you when you register on our site, place an order, fill out a form or enter information on our site.

How do we use your information?

We may use the information we collect from you when you register, make a purchase, sign up for our newsletter, respond to a survey or marketing communication, surf the website, or use certain other site features in the following ways:

- To quickly process your transactions.

How do we protect visitor information?

Our website is scanned on a regular basis for security holes and known vulnerabilities in order to make your visit to our site as safe as possible.

We use regular Malware Scanning.

Your personal information is contained behind secured networks and is only accessible by a limited number of persons who have special access rights to such

systems, and are required to keep the information confidential. In addition, all sensitive/credit information you supply is encrypted via Secure Socket Layer (SSL) technology.

We implement a variety of security measures when a user enters, submits, or accesses their information to maintain the safety of your personal information.

All transactions are processed through a gateway provider and are not stored or processed on our servers.

Do we use 'cookies'?

Yes. Cookies are small files that a site or its service provider transfers to your computer's hard drive through your Web browser (if you allow) that enables the site's or service provider's systems to recognize your browser and capture and remember certain information. For instance, we use cookies to help us remember and process the items in your shopping cart. They are also used to help us understand your preferences based on previous or current site activity, which enables us to provide you with improved services. We also use cookies to help us compile aggregate data about site traffic and site interaction so that we can offer better site experiences and tools in the future.

We use cookies to:

- Keep track of advertisements.
- Compile aggregate data about site traffic and site interactions in order to offer better site experiences and tools in the future. We may also use trusted third party services that track this information on our behalf.

You can choose to have your computer warn you each time a cookie is being sent, or you can choose to turn off all cookies. You do this through your browser (like Internet Explorer) settings. Each browser is a little different, so look at your browser's Help menu to learn the correct way to modify your cookies.

If you disable cookies off, some features will be disabled. It won't affect the user's experience that makes your site experience more efficient and some of our services will not function properly.

However, you can still place orders.

Third Party Disclosure

We do not sell, trade, or otherwise transfer to outside parties your personally identifiable information.

Third party links

We do not include or offer third party products or services on our website.

Google

Google's advertising requirements can be summed up by Google's Advertising Principles. They are put in place to provide a positive experience for users.

<https://support.google.com/adwordspolicy/answer/1316548?hl=en>

We use Google AdSense Advertising on our website.

Google, as a third party vendor, uses cookies to serve ads on our site. Google's use of the DART cookie enables it to serve ads to our users based on their visit to our site and other sites on the Internet. Users may opt out of the use of the DART cookie by visiting the Google ad and content network privacy policy.

We have implemented the following:

- Remarketing with Google AdSense
- Google Display Network Impression Reporting
- Demographics and Interests Reporting
- DoubleClick Platform Integration

We along with third-party vendors, such as Google use first-party cookies (such as the Google Analytics cookies) and third-party cookies (such as the DoubleClick cookie) or other third-party identifiers together to compile data regarding user interactions with ad impressions, and other ad service functions as they relate to our website.

Opting out: Users can set preferences for how Google advertises to you using the Google Ad Settings page. Alternatively, you can opt out by visiting the Network Advertising initiative opt out page or permanently using the Google Analytics Opt Out Browser add on.

California Online Privacy Protection Act

CalOPPA is the first state law in the nation to require commercial websites and online services to post a privacy policy. The law's reach stretches well beyond California to require a person or company in the United States (and conceivably the world) that operates websites collecting personally identifiable information from California consumers to post a conspicuous privacy policy on its website stating exactly the information being collected and those individuals with whom it is being

shared, and to comply with this policy. - See more at:
<http://consumercal.org/california-online-privacy-protection-act-caloppa/#sthash.0FdRbT51.dpuf>

According to CalOPPA we agree to the following:

Users can visit our site anonymously Once this privacy policy is created, we will add a link to it on our home page, or as a minimum on the first significant page after entering our website. Our Privacy Policy link includes the word 'Privacy', and can be easily be found on the page specified above.

Users will be notified of any privacy policy changes:

- On our Privacy Policy Page

Users are able to change their personal information:

- By emailing us
- By calling us
- By logging in to their account

How does our site handle do not track signals?

We honor do not track signals and do not track, plant cookies, or use advertising when a Do Not Track (DNT) browser mechanism is in place.

Does our site allow third party behavioral tracking?

It's also important to note that we do not allow third party behavioral tracking

COPPA (Children Online Privacy Protection Act)

When it comes to the collection of personal information from children under 13, the Children's Online Privacy Protection Act (COPPA) puts parents in control. The Federal Trade Commission, the nation's consumer protection agency, enforces the COPPA Rule, which spells out what operators of websites and online services must do to protect children's privacy and safety online.

We do not specifically market to children under 13.

Fair Information Practices

The Fair Information Practices Principles form the backbone of privacy law in the United States and the concepts they include have played a significant role in the development of data protection laws around the globe. Understanding the Fair

Information Practice Principles and how they should be implemented is critical to comply with the various privacy laws that protect personal information.

In order to be in line with Fair Information Practices we will take the following responsive action, should a data breach occur:

We will notify the users via email

- Within 1 business day

We will notify the users via in site notification

- Within 1 business day

We also agree to the individual redress principle, which requires that individuals have a right to pursue legally enforceable rights against data collectors and processors who fail to adhere to the law. This principle requires not only that individuals have enforceable rights against data users, but also that individuals have recourse to courts or a government agency to investigate and/or prosecute non-compliance by data processors.

CAN SPAM Act

The CAN-SPAM Act is a law that sets the rules for commercial email, establishes requirements for commercial messages, gives recipients the right to have emails stopped from being sent to them, and spells out tough penalties for violations.

We collect your email address in order to:

To be in accordance with CANSPAM we agree to the following:

If at any time you would like to unsubscribe from receiving future emails, you can email us at admin@completecarehomewarranty.com and we will promptly remove you from ALL correspondence.

Automated Calls and Text Messages

Program Description

Complete Care Home Warranty provides a matching service whereby the consumer provides information in connection with being matched with a desired service or product. As part of this service, you may be contacted by Complete Care Home

Warranty or by the brand with whom you have been matched pursuant to your request and provision of information on the Complete Care Home Warranty website.

Consent

When you provide your information on the Complete Care Home Warranty website, you consent to be contacted via automated text message, automatic telephone dialing system, or by artificial/prerecorded message at the telephone number you provide, and/or by receiving email at the email address you provide, from Complete Care Home Warranty or the brand with which you have been matched for the desired product or service.

You expressly consent to receive automated calls and text messages regardless of whether you are on any Federal or state DNC ("Do Not Call") list or registry. If you provide your information and we contact you, or you contact us, we may keep a record, including but not limited to telephone recordings, call logs, text logs and emails, of your interaction with Complete Care Home Warranty.

Opting Out

You may revoke your consent for us to contact you by autodialed call or text message at any time. If you no longer wish to receive such calls from Complete Care Home Warranty, you may opt out by emailing admin@completecarehomewarranty.com along with the subject line "Call Opt-Out". To opt out of receiving text messages from Complete Care Home Warranty at any time, text STOP to the short code from which the text message was sent to the enrolled mobile device. A confirmation message of your opt out will be sent to your mobile number but no additional messages will be sent to you unless you opt in again.

Cost & Carriers

Standard message and data rates may apply. These rates may be changed by your mobile service provider and payable by you to that provider. Complete Care Home Warranty does not impose a separate fee for sending SMS messages.

The content in these messages may not be available and viewable on all carriers. Participating carriers include T-Mobile®, Verizon Wireless, AT&T, Sprint, Boost, U.S. Cellular®, MetroPCS, Virgin Mobile, and Cricket. Mobile carriers are not liable for delayed or undeliverable messages.

Electronic Consent

By agreeing to receive phone calls and text messages, you also consent to the use of an electronic record to document your agreement. You may withdraw your consent to the use of the electronic record by sending an email to admin@completecarehomewarranty.com with "Revoke Electronic Consent" in the subject line. To view and retain a copy of this disclosure or any information regarding your enrollment in this program, you will need (i) a device (such as a computer or mobile phone) with a web browser and Internet access and (ii) either a printer or storage space on such device. For a free paper copy, or to update our records of your contact information, send an email to admin@completecarehomewarranty.com with contact information and the address for delivery.
