COMPLETE CARE HOME WARRANTY SERVICE CONTRACT

Throughout this Contract the words "We," "Us," "Our," and "Obligor," refer to Complete Care Home Warranty, LLC, also referred to as Complete Care Home Warranty. "You," "Your," and "Customer" refer to the person contracting for services covered by this Contract and whose name(s) appear on the Cover Page. Certain items and events are not covered by this Contract. Please read the Contract carefully. Coverage includes only certain mechanical failures of the specific items listed as covered on the Cover Page and excludes all other failures and/or items. The Cover Page is attached to and made a part of this Contract. "Contract" refers to this agreement You have purchased and includes the Cover Page. "Purchase Price" refers to the amount you paid for coverage under this Contract. "Breakdown" refers to when a covered item becomes inoperable due to mechanical failure caused by normal wear and tear.

BASIS FOR COVERAGE

During the term of this Contract, We agree to pay the covered costs to repair or replace the items listed as covered on Your Cover Page if any such items become inoperable due to mechanical failure caused by normal wear and tear. Determination of coverage including the operational condition as of the Contract effective date for any claim will be made solely by Us considering, but not limited to, Our independent contractor's diagnosis, hereinafter referred to as the "Service Contractor." This Contract does not cover any known or unknown pre-existing conditions. It is understood that WE ARE NOT A SERVICE CONTRACTOR and We are not Ourselves undertaking to repair or replace any such systems or components. This Contract covers single-family homes, new construction homes, condominiums, townhomes, and mobile homes under 5,000 square feet, unless an alternative dwelling type (i.e. above 5,000 square feet or multi-unit home) is applied and appropriate fees are paid. This Contract will not cover systems or appliances within (a) commercial properties; (b) residential properties used for business purposes including, but not limited to, dwellings used for rest homes, day care centers, schools and/or professional offices; (c) common areas of condominiums, multi-family houses and/or cooperatives; (d) vacant properties; or (e) foreclosed/short sold properties. Coverage applies to the systems and components mentioned as "covered" in accordance with the terms and conditions of this Contract so long as such systems and components:

- A. Become inoperable due to normal wear and tear;
- B. Are in place and in proper working order on the effective date of this Contract; and

- C. Are located inside the confines of the main foundation of the home or attached or detached garage, with the exception of the air conditioner, exterior pool/spa, septic system, and well pump.

TERM

Coverage starts 30 days after acceptance of application by Us and receipt of applicable Contract fees and continues for 365 days from that date. We reserve the right to waive the 30-day waiting period so long as You provide proof of coverage from another home service provider showing no lapse in coverage. Waiving of the 30-day waiting period is at Our sole discretion. Contract fees shall be defined as any amounts You owe Us including the initial amount You are required to pay us for purchase of this Contract and any fees for service calls.

REQUESTING SERVICE

We must be notified as soon as the malfunction is discovered and prior to expiration of the Contract. You can request service by calling 223-747-4110. We will accept service requests 24 hours a day, 7 days a week. We will not provide service until all past due Service Call Fees and Contract fees are made current.

- A. Upon request for service under normal circumstances, We will contact a Service Contractor within forty-eight (48) after You request service. The Service Contractor will contact You to schedule a mutually convenient appointment during normal business hours. We will determine what repairs constitute an emergency and will make reasonable efforts to expedite emergency service. We will accept Your request to expedite scheduling of non-emergency service only when a Service Contractor is available. If the Service Contractor agrees to expedite scheduling of a non-emergency service request, You may be required to pay an additional fee.
- B. We have the sole and absolute right to select the Service Contractor to perform the service. We will not reimburse You for services performed without Our prior approval.
- C. We reserve the right to obtain a second opinion at Our expense. In the event that We inform You the malfunction is not covered under this Contract, You have the right to request a second opinion concerning the cause of the malfunction. You must ask Us for a second opinion from another Service Contractor within seven (7) days from Us informing You the malfunction is not covered. In the event that the outcome of the second opinion is different than the first opinion, then We may, in Our discretion, decide whether to accept coverage under this Contract. If You request a second opinion, You will be responsible for the payment of an additional Service Call Fee only if the outcome of the second opinion is the same as the initial opinion.
- D. In the event We authorize or request You to contact an independent service contractor to perform a covered service, We will provide reimbursement for an authorized amount of the cost You incur for the repair or replacement services. Acceptable proof of the repair and Your actual itemized costs must be provided to and approved by Us before any reimbursement will be paid. We are not responsible for expenses You incur without Our express consent. We will not reimburse You for any costs associated with unauthorized repairs or work performed by unauthorized contractors.
- E. If service work performed under this Contract should fail, then We will make the necessary repairs without an additional Service Call Fee for a period of 90 days on parts and 30 days on labor.

SERVICE CALL FEE

Note: The amount of Your Service Call Fee is listed on Your Cover Page.

- A. You are required to pay a Service Call Fee for each trade service request You submit to Us.

The Service Call Fee also applies in the event You fail to be present at a scheduled time, or in the event You cancel a service request at the time a Service Contractor is in route to Your home or at Your home. Failure to pay the Service Call Fee will result in suspension or cancellation of this Contract until such time as the proper Service Call Fee is paid. At that time, the Contract may be reinstated; however, the Contract period will not be extended.

This Contract does not cover any mechanical failure to any covered item or system that has been improperly altered, repaired, installed, modified, or damaged in the course of remodeling or unauthorized repair.
- S. This Contract does not cover performance of routine maintenance. You are responsible for performing all routine maintenance and cleaning for all covered items and systems as specified and recommended by the manufacturer. For example, You are responsible for providing maintenance and cleaning pursuant to manufacturers' specifications, such as periodic cleaning of heating and air conditioning systems, evaporator coils and condenser coils, as well as periodic filter replacement. We will not pay for repairs or failures that result from Your failure to perform normal or routine maintenance.
- T. We are not liable for any damages that result from a Service Contractor's service, delay in providing service or failure to provide service. We are not liable for any incidental, consequential, special, and/or punitive damages, whether caused by negligence or any other cause, and you agree to waive any and all claims for such damages, arising from, resulting from or related to any Service Contractor's service, delay in providing service or failure to provide service, including, but not limited to, damages, resulting from delays in securing parts and/or labor, the failure of any equipment used by an independent Service Contractor, labor difficulties, and/or the negligent, tortuous and/or unlawful acts or omissions of any independent Service Contractor.
- U. We have the sole right to determine whether a covered system or appliance will be repaired or replaced. We are responsible for installing replacement equipment of similar features, capacity, and efficiency, but not for matching dimensions, brand or color. We are not responsible for upgrades, components, parts, or equipment required due to the incompatibility of the existing equipment with the replacement system or appliance or component or part thereof or with new type of chemical or material utilized to run the replacement equipment including, but not limited to, differences in technology, refrigerant requirements, or efficiency as mandated by federal, state, or local governments. If parts are no longer available, we will offer a cash payment in the amount of the average cost between parts and labor of the covered repair. We reserve the right to locate parts at any time. We are not liable for replacement of entire systems or appliances due to obsolete, discontinued or unavailability of one or more integral parts. However, we will provide reimbursement for the costs of those parts determined by reasonable allowance for the fair value of like parts. We reserve the right to rebuild a part or component, or replace with a rebuilt part or component.
- V. We reserve the right to offer cash back in lieu of repair or replacement in the amount of Our actual cost, which at times may be less than retail, to repair or replace any covered system, component, or appliance. In the event a covered system or appliance is deemed irreparable or it is not cost effective to repair, we may replace the system or appliance with a system or appliance of like capacity, the price of which shall not exceed the depreciated value of the system or appliance being replaced. CCHW is not responsible for installation. The cash settlement shall be in an amount not to exceed the depreciated value of the component, system, or appliance being replaced. In the event you elect to use the cash back funds to repair rather than replace your system or appliance, said system or appliance will no longer be covered by CCHW.

- W. We are not liable for the repair or replacement of commercial grade equipment, systems, or appliances. We shall pay no more than \$1,000 in aggregate for professional series or like appliances such as, but not limited to, brand names such as Sub Zero, Viking, Wolf, Bosch, Jenn-Air, GE Monogram, Thermador, Miele, Fisher & Paykel, etc.
- X. You agree that We are not liable for the negligence or other conduct of the Service Contractor, nor are We an insurer of the Service Contractor's performance. You also agree that We are not liable for consequential, incidental, indirect, secondary, or punitive damages. You expressly waive the right to all such damages. Your sole remedy under this Contract is recovery of the cost of the required repair or replacement, whichever is less. You agree that in no event will Our liability exceed \$1500 per contract item for access, diagnosis, repair and/or replacement.
- Y. In the event You threaten to harm or actually harm the safety or well-being of: (i) Us; (ii) any employee of Ours; (iii) a Service Contractor; or (iv) any property of Ours or a Service Contractor, You will be in breach of this Contract.
